Environmental Management Policy Statement

Jan 2022

Savanna Rags International Ltd. commits to achieving the highest standards with regards to environmental matters arising out of our activities. It is the intention of Savanna Rags International Ltd. to be at the forefront of our industry.

When determining priorities for the allocation of resources, environmental objectives shall be given equal consideration with all other objectives.

All managers and employees have duties and responsibilities under this policy and, in order to ensure these are met, regular review of environmental performance will be carried out.

Aims of the policy

Savanna Rags International Ltd. recognizes that protection of the environment requires commercial activity to be conducted in a sustainable manner. Savanna Rags International Ltd. is fully committed to the best environmental practices and takes responsibility for its own environmental performance.

Savanna Rags International Ltd. has acknowledged these responsibilities by publishing a health and safety and environmental policy. Our company is committed to implementing the actions stated in this policy.

In order to achieve this objective, Savanna Rags International Ltd. is:

- Establishing health and safety and environmental policies for which management has ultimate responsibility and which forms part of Savanna Rags International Ltd.'s business plans.
- Developing a comprehensive environmental management system, which ensures compliance with all environmental legislation, regulations, codes of practice and any other standard to which the company subscribes. Savanna Rags International Ltd. is also committed to the prevention of pollution. The environmental management system will evaluate Savanna Rags International Ltd.'s environmental impacts resulting in the setting of clear objectives with the aim of establishing continual improvement in environmental performance. Savanna Rags International Ltd.'s overall performance will be monitored by regular audits and annual reviews.

- Intent on integrating environmental management with health and safety management at Savanna Rags International Ltd.

Energy Policy

Savanna Rags International Ltd. is committed to reducing its energy usage and ensuring that the energy used for its operations is from renewable sources when possible. Savanna Rags International Ltd. monitors its ongoing energy usage throughout the year, and where resources allow, investments are made into energy conserving alternatives to the current facilities at our premises.

Clean Vehicle Policy

Savanna Rags International Ltd. acknowledges its environmental duties related to vehicles used in the business. To do this, we use hire vehicles which are replaced regularly to ensure compatibility with the latest Euro ratings. Savanna Rags International Ltd. watches the development of BEV's and Hybrid technology closely and will commit to these technologies when they are sufficiently mature for our business case.

Policy objectives

The environmental management system will develop over time so that all key issues pertinent to the company will be addressed. The environmental management system will pay close attention to the policy objectives and supporting programs.

This policy was reviewed and approved by Savanna Rags International Limited's management team on 04/01/2022.
